Report of Independent Auditors

The Board of Directors
Episcopal Communities & Services for Seniors

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Episcopal Communities & Services for Seniors (the "Organization"), which comprise continuing care liquid reserve schedules, Form 5–1 through Form 5–5, as of and for the year ended June 30, 2022.

In our opinion, the accompanying financial statements present fairly, in all material respects, the continuing care liquid reserve schedules, Form 5–1 through Form 5–5, of the Organization as of and for the year ended June 30, 2022, in conformity with the liquid reserve requirements of California Health and Safety Code Section 1792.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to the basis of accounting used to prepare the financial statements. The financial statements are prepared by the Organization on the basis of the liquid reserve requirements of California Health and Safety Code Section 1792, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of California Health and Safety Code Section 1792. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the liquid reserve requirements of California Health and Safety Code Section 1792. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying attachment to form 5-2, long-term debt incurred during the fiscal year; attachment to form 5-4, calculation of net operating expenses – Scripps Kensington; attachment to form 5-4, reconciliation of net operating expenses – Scripps Kensington; Attachment to form 5-4, Reconciliation of total operating expenses – The Canterbury and The Covington; attachment to form 5-4, Series 2012 bond interest reconciliation; attachment to form 5-4, reconciliation of revenue received for non CCRC residents; attachment to form 5-4, required disclosure under Section 1790 (a)(2); and attachment to form 5-5, description of reserves, presented as supplementary schedules, are presented for the purpose of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements, and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with the auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated in all material respects in relation to the financial statements taken as a whole.

Restriction on Use

This report is intended solely for the information and use of the Board of Directors and management of the Organization and the California Department of Social Services and is not intended to be, and should not be, used by anyone other than these specified parties.

Other Information

Management is responsible for the other information included in the California Department of Social Services Annual Report. The other information comprises Forms 1-1, 1-2, and 7-1, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

- ☐ Check here if monthly service fees at this community were not increased during the reporting period. (If you checked this box, please skip down to the bottom of this form and specify the names of the provider and community.)

- [3] Indicate the date the fee increase was implemented: 07/01/2021
(If more than 1 increase was implemented, indicate the dates for each increase.)

- [4] Check each of the appropriate boxes:

- ☒ Each fee increase is based on the provider's projected costs, prior year per capita costs, and economic indicators.
- ☒ All affected residents were given written notice of this fee increase at least 30 days prior to its implementation.
- ☒ At least 30 days prior to the increase in monthly service fees, the designated representative of the provider convened a meeting that all residents were invited to attend.
- ☒ At the meeting with residents, the provider discussed and explained the reasons for the increase, the basis for determining the amount of the increase, and the data used for calculating the increase.
- ☒ The provider provided residents with at least 14 days advance notice of each meeting held to discuss the fee increases.
- ☒ The governing body of the provider, or the designated representative of the provider posted the notice of, and the agenda for, the meeting in a conspicuous place in the community at least 14 days prior to the meeting.

- [5] On an attached page, provide a concise explanation for the increase in monthly service fees including the amount of the increase.

Adjustments Explained:

FY 2020 to FY 2021

Operating Expenses reflect direct department expenses plus interest expense

FY 2021 to FY 2022

Labor Costs are approximately 60% of budget and are comprised staffing for occupancy projections, competitive wage increases and increases in employee benefit costs.

Increases in non-labor costs are determined primarily by information received directly from vendors/contractors.

MCFI is the same for all levels of care.

Budget projections must comply with bond covenants (combined with The Covington) as measured by financial ratios.

Positive results of operations are used for capital improvements and campus master planning projects.
