Report of Independent Auditors

The Board of Directors Episcopal Communities & Services for Seniors and Subsidiaries

Report on the Audit of the Financial Statements

Opinion

We have audited the consolidated financial statements of Episcopal Communities & Services for Seniors and Subsidiaries, which comprise the consolidated statements of financial position as of June 30, 2023 and 2022, and the related consolidated statements of operations, changes in net assets, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Episcopal Communities & Services for Seniors and Subsidiaries as of June 30, 2023 and 2022, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Episcopal Communities & Services for Seniors and Subsidiaries and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Episcopal Communities & Services for Seniors and Subsidiaries' ability to continue as a going concern within one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Episcopal Communities & Services for Seniors and Subsidiaries' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Episcopal Communities & Services for Seniors and Subsidiaries' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements that comprise Episcopal Communities and Services for Seniors and Subsidiaries. The consolidating schedules on pages 42 through 53 are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. The consolidating schedules are the responsibility of management and were derived from, and relate directly to, the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the consolidating schedules are fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Information

Management is responsible for the other information included in the California Department of Social Services Annual Report. The other information comprises the Forms 1-1, 1-2, and 7-1, but does not include the consolidated financial statements and our auditor's report thereon. Our opinion on the consolidated financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the consolidated financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Note 1 – Organization and Nature of Activities

Episcopal Communities & Services for Seniors ("ECS"), a nonprofit corporation, operates Life Plan Communities ("LPCs") consisting of residential, assisted living, and skilled nursing facilities known as The Canterbury in Rancho Palos Verdes, California; The Covington in Aliso Viejo, California; and MonteCedro in Altadena, California. ECS operates a rental community known as Twelve Oaks Senior Living in Glendale, California. ECS formerly operated Scripps Kensington in Alhambra, California (see Note 17).

The consolidated financial statements also include the activities of the following related entities:

- ECS Management, LLC ("ECSLLC") ECSLLC is a single-member limited liability company (LLC) with ECS as its sole member. ECSLLC was created to provide administrative, programmatic, and other forms of support to ECS and any of its subsidiaries and affiliated organizations, provided they are exempt from federal income taxes under Internal Revenue Code (IRC) Section 501(c)(3).
- MonteCedro, Inc. ("MCINC") MCINC operates an LPC in Altadena, California, consisting of residential and memory care facilities. MCINC is organized as a nonprofit corporation under the general nonprofit corporation laws of the state of California.
- ECS Supportive Funds Management ("ECSSFM") On July 1, 2021, the ECS Foundation curtailed fundraising efforts and transitioned to solely a funds management role overseeing the investment and distribution of restricted and unrestricted donor funds. Simultaneously, the ECS Community Advancement Office was launched supporting fundraising at ECS communities and ECSF changed its name to ECS Supportive Funds Management.

ECS also owns and operates:

- Creative Housing & Services, LLC ("CHS LLC"), a single-member LLC with ECS as its sole member. CHS LLC provides development, management, and consulting services to affordable senior, disabled, and low-income housing facilities.
- Creative Housing & Services (formerly Community Housing Management Services) ("CHS"), a California nonprofit corporation, which provides development, management, and consulting services to affordable senior, disabled, and low-income housing facilities. On October 17, 2018, CHS entered into an asset transfer agreement with CHS LLC. CHS transferred substantially all of its assets relating to programs and activities that support the management of affordable housing facilities.

On June 29, 2020, ECS entered into an Affiliation Agreement with Twelve Oaks Foundation ("TOF") dba Twelve Oaks Senior Living ("TOSL"). TOF owns and operates a senior living facility, TOSL, in Glendale, California, that offers independent living and assisted living options. Under the terms of its Affiliation Agreement with TOF, ECS purchased and was assigned two notes receivable on June 30, 2020, secured by the TOSL property from TOF's lender. The notes were originally entered into July 17, 2018, in the principal amount totaling approximately \$4,200,000 at an interest rate of 9.5% per annum with a maturity date of July 24, 2020. The purchase of the notes totaled approximately \$4,533,000 including accrued but unpaid interest of approximately \$333,000.

On July 24, 2020, ECS entered into a Forbearance and Loan Modification Agreement with TOF. The maturity date was modified to be July 24, 2050, or earlier, if certain accelerated repayment conditions are triggered. The interest rate was modified to be 3.5% per annum. Accrued interest is payable monthly to the extent certain liquidity measures are satisfied by TOF.

On January 12, 2021, the affiliation was finalized with ECS becoming the sole corporate member of TOF. Under the terms of the Affiliation Agreement, ECS assumed certain TOF debt and agreed to provide additional working capital support, investment and/or financing for the operation, and/or improvement of TOSL. The Company elected to apply push down accounting and the affiliation was accounted for as a business combination using the acquisition method of accounting, which requires the basis of the assets and the liabilities assumed to be recorded at their respective fair values at the date of affiliation. As part of the acquisition accounting, property, buildings, and equipment with a net carrying amount of approximately \$2,337,000 were written up to an appraised fair value of approximately \$7,720,000. The financial statements of TOF have been included in ECS's consolidated financial statements.

The population at each community as of June 30, 2023 and 2022, was as follows:

	2023	2022
The Canterbury	139	134
The Covington	192	203
MonteCedro	231	240
Twelve Oaks	33	34
	595_	611

As a result of the closure of the Scripps Kensington LPC, residents were transferred to outside communities in 2010. The total number of Scripps Kensington residents located at outside facilities as of June 30, 2023 and 2022, was 5 and 7, respectively.

CHS is the Managing General Partner of Casa de los Amigos, L.P., a California Limited Partnership (the "Partnership"), formed on January 10, 2006, as a Limited Partnership under the Uniform Limited Partnership Act of the State of California for the purpose of developing and operating a 136-unit apartment complex for low-income residents located in Redondo Beach, California. The population at Casa de los Amigos as of June 30, 2023 and 2022, was 134 and 134, respectively.

Note 2 – Summary of Significant Accounting Policies

Principles of consolidation – The consolidated financial statements include the accounts of ECS and its wholly owned subsidiaries ECSLLC, MCINC, ECSSFM, CHS, TOF, and Artful LLC, hereinafter referred to collectively as the "Organization." All inter-organization balances and transactions have been eliminated.

Basis of presentation – The accompanying consolidated financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). The accrual basis of accounting recognizes revenues in the accounting period in which revenues are earned regardless of when cash is received and recognizes expenses in the accounting period in which expenses are incurred regardless of when cash is disbursed. Based on the existence or absence of donor-imposed restrictions, ECS classifies resources into two categories: without donor restrictions and with donor restrictions.

Net assets without donor restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of ECS. These net assets may be used at the discretion of ECS's management and board of directors.

Net assets with donor restrictions – Represent contributions that are limited in use by ECS in accordance with donor-imposed stipulations. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates those resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires; that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Expiration of donor-imposed restrictions – Net assets are released from restrictions by incurring expenses satisfying the restricted purposes and by occurrence of events specified by the donors, including the passage of time. Donor restrictions on long-lived assets or cash to construct or acquire long-lived assets are considered to have expired when the assets are placed into service or expenditures exceed the amount of the gift.

Cash and cash equivalents – For purposes of reporting cash flows, the Organization considers all highly liquid investments purchased with a maturity of three months or less to be cash equivalents. The Organization maintains its cash in bank deposit accounts, which may exceed federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash.

The following table provides a reconciliation of cash and cash equivalents and restricted cash and cash equivalents reported within the accompanying consolidated statements of financial position to the accompanying consolidated statements of cash flows as of June 30, 2023 and 2022 (in thousands):

	 2023	2022		
Cash and cash equivalents Restricted cash and cash equivalents,	\$ 12,572	\$	16,314	
included in assets limited as to use	 4,895		5,097	
Cash and cash equivalents and restricted cash and cash equivalents as reported in statements of cash flows	\$ 17,467	\$	21,411	

Assets limited as to use – Assets limited as to use consist of cash, cash equivalents, collateral for workers' compensation claims and insurance collateral, waitlist deposits, and investments that are limited by the 2022A and 2022B bond indenture for debt service. Amounts required for payment of current liabilities are classified as current assets.

Investments – Investments in equity securities with readily determinable fair values and all investments in debt securities are measured at fair value in the consolidated statements of financial position. Fair value is established based on quoted prices from recognized securities exchanges. Net investment return (including realized and unrealized gains and losses on investments, interest, dividends, and investment expenses) is included in changes in net assets without donor restrictions unless the income (loss) is restricted by donor or law.

Inventories – Inventories as of June 30, 2023 and 2022, primarily consist of dining supplies and are reflected in the consolidated statements of financial position at cost, which does not exceed market value.

Property and equipment – The costs of property and equipment are depreciated using the straight-line method over their estimated useful lives. Costs of additions, renewals, and betterments are capitalized, while maintenance and repairs are expensed when incurred. Acquisitions of \$1,500 or more with a useful life greater than one year are capitalized. Donated fixed assets are recorded at their fair value at the date of donation. Construction in progress consists of costs incurred on construction projects that have not been completed. Interest cost incurred during the period of construction of capital assets is capitalized as a component of the cost of constructing those assets, net of investment income on unspent proceeds of tax-exempt borrowings restricted for use in construction.

Depreciation begins when related assets are placed in service. Estimated useful lives are as follows:

Land improvements	5–25 years
Buildings and improvements	5–50 years
Furnishings and equipment (including capitalized computer hardware and software)	3–20 years

Capitalized financing costs – Capitalized financing costs represent costs incurred in obtaining long-term financing and are amortized over the respective terms of the related obligations using the interest method. Such costs are presented as a component of long-term debt in accordance with Accounting Standards Codification (ASC) Topic 835. Amortization expense is included as a component of interest expense.

Impairment of long-lived assets – The Organization reviews long-lived assets for impairment when events or changes in business conditions indicate that their carrying value may not be recoverable. The Organization considers assets to be impaired and writes them down to fair value if expected associated cash flows are less than the carrying amounts. The Organization has determined that no long-lived assets are impaired as of June 30, 2023 and 2022.

Split-interest agreements – The Organization is a beneficiary of several irrevocable charitable gift annuities, which are held in trusts by third-party administrators. At the end of the annuity's term, the Organization will receive its beneficial interest in the trusts. The Organization's beneficial interest is measured at fair value and revalued annually using present value techniques.

Accrued workers' compensation claims – ECS's workers' compensation insurance is provided by Safety National, a commercial insurance carrier. Under the policy, ECS is responsible for the first \$250,000 of each accident claim, subject to an aggregate loss limit of \$1,350,000. Cash collateral of \$273,000, included in assets limited as to use, is required and claims payment is made monthly to The Matrix Absence Management Company.

The provision for estimated workers' compensation claims includes estimates of the ultimate costs for both reported claims and claims incurred but not reported. The Organization estimates claims liabilities without consideration of insurance recoveries in accordance with ASC 954-450, *Health Care Entities – Contingencies*, and records insurance recoveries separately on the accompanying consolidated statements of financial position.

Obligation to provide future services and the use of facilities – The Organization calculates annually the present value (using a 5% discount rate as of June 30, 2023 and 2022) of the estimated net cost of future services to be provided to current continuing care residents. The change in the obligation during a year would be reported as a change in obligation to provide future services in the consolidated statements of operations. As of June 30, 2023 and 2022, the estimated amounts received or to be received from current continuing care residents exceeded the estimated costs of providing future services and use of facilities to those residents. Accordingly, no liability was recorded in relation to future service obligations as of June 30, 2023 and 2022.

The California Health and Safety Code Section 1790 mandates a statutory reserve and a liquid asset requirement. The mandates were met for the years ended June 30, 2023 and 2022.

Fair value of financial instruments – The Organization's consolidated financial statements include the following financial instruments: cash and cash equivalents, accounts receivable, accounts payable, accrued liabilities, obligation to provide future services and the use of facilities, and long-term debt. The Organization believes that the carrying amounts of current assets and liabilities in the consolidated statements of financial position approximate the fair values of these financial instruments because of the relatively short period of time between origination of the instruments and their expected realization. The fair values of assets limited as to use and investments are disclosed in Note 7.

Donated material and services – Donations and bequests are recorded as made. All donations are considered to be available for unrestricted use unless specifically restricted by the donor.

A substantial number of volunteers have donated their time to the Organization's programs and other services. However, these donated services are not reflected in the accompanying consolidated financial statements since they do not meet the criteria for recognition as contributed services.

Contributions – Unconditional promises to give cash or other assets are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value at the date the gift is received. The gifts are reported as net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets.

Revenue recognition

Resident care fees and ancillary services revenue – Resident care fees and ancillary services revenue are reported at the amount that reflects the consideration to which the Organization expects to be entitled in exchange for the services provided. Under the Organization's resident service agreement, the Organization provides senior living services to residents for a stated monthly fee. The Organization recognizes revenue for senior living services under the residential services agreement for independent living and assisted living in accordance with the provision of ASC 842, *Leases (ASC 842).*

Resident services – Resident services revenue is primarily derived from providing accommodations and services to residents under a continuing care contract for residential care, assisted living, and memory care. The Organization has determined that the services included in the monthly fee have the same timing and pattern of transfer and are a series of distinct services that are considered one performance obligation which is satisfied over time. The transaction price is based on standard charges for goods and services provided.

Care center revenue – Care center revenue is primarily derived from providing nursing services to patients. The Organization has determined that nursing services are considered one performance obligation, measured from the point of admission to the care center to the point of discharge. Patients and third-party payors (including government programs and health insurers) are billed monthly after the services are performed, which include variable consideration for retroactive revenue adjustments due to settlement of audits, reviews, and investigations.

Care center revenues are recognized on a monthly basis after the services are provided. The transaction price is based on standard charges for goods and services provided, reduced by contractual adjustments provided to third-party payors. Contractual adjustments are based on agreements, discount policies, and historical experience.

Agreements with third-party payors provide payments at amounts less than established charges. Major third-party payors with payment arrangements include:

Medicare – Services rendered to Medicare program beneficiaries for skilled nursing are reimbursed under a prospective methodology, and no additional settlement will be made on the difference between the per diem rates paid and actual costs.

Other – Payment agreements with certain commercial insurance carriers provide for payment using prospectively determined rates per day.

Laws and regulations concerning government programs, including Medicare, are complex and subject to varying interpretations. As a result of investigations by governmental agencies, various health care organizations have received requests for information and notices regarding alleged noncompliance with those laws and regulations which, in some instances, have resulted in organizations entering into significant settlement agreements. Compliance with such laws and regulations may also be subject to future government review and interpretation, as well as significant regulatory action, including fines, penalties, and potential exclusion from the related programs. There can be no assurance that regulatory authorities will not challenge the Organization's compliance with these laws and regulations, and it is not possible to determine the impact (if any) such claims or penalties would have upon the Organization. In addition, the contracts the Organization has with commercial payors also provide for retroactive audit and review of claims.

The Organization disaggregates revenue from contracts with customers by type of service and payor source as this depicts the nature, amount, timing, and uncertainty of its revenue and cash flows as affected by payors and economic factors. Resident revenues consist of the following for the fiscal year ended June 30, 2023 (in thousands):

	Residential Care		Assisted Living/ Residential Care Memory Care		Car	e Center	Total		
Private Medicare Other third-party payors	\$	41,893 - -	\$ 10,994 - -	\$	2,058 2,405 41	\$	54,945 2,405 41		
	\$	41,893	\$ 10,994	\$	4,504	\$	57,391		

	Residential Care		Assisted Living/ Residential Care Memory Care		Car	e Center	Total	
Private Medicare	\$	37,135	\$ 10,710	\$	2,764 2,698	\$	50,609 2,698	
	\$	37,135	\$ 10,710	\$	5,462	\$	53,307	

Resident revenues consist of the following for the fiscal year ended June 30, 2022:

Revenue from nonrefundable entrance fees received is recognized on a straight-line basis over the actuarially based estimated life of each resident, which approximates the period of time the goods and services under the agreements are expected to be transferred to residents.

Management fee revenue includes management fees and consulting fees received by CHS for the management of certain Department of Housing and Urban Development (HUD) properties and is presented as other income in the consolidated statements of operations. The payroll and related expenses paid and received for the employees of the properties managed by CHS are considered agency transactions in accordance with GAAP. Agency transactions are not to be accounted for as the revenues and expenses of the entity, but as operating activities in the consolidated statements of cash flows. The total amount of payroll and related expenses received and paid on behalf of the managed properties for the years ended June 30, 2023 and 2022, were approximately \$0 and \$185,000, respectively.

Entrance Fees and Financial Arrangements

Scripps Kensington

The former residents of Scripps Kensington have life care continuing care contracts. Life care contracts include a promise by Scripps Kensington to provide routine and certain ancillary services at all levels of care to a resident for the duration of his or her life, including acute care and services of physicians and surgeons, to the extent not covered by other public or private insurance benefits. Life care contracts include provisions to subsidize residents who become financially unable to pay their monthly care fees.

The Canterbury

The Canterbury offers payment options under (1) a fee for service continuing care agreement, and (2) a month-to-month agreement. Residents entering under the month-to-month agreement are charged a monthly care fee. The continuing care agreement applies to independent residency and The Canterbury's admission policy for new continuing care residents requires payment of (1) an entrance fee upon admission currently ranging from \$170,000 to \$725,000 depending on residence and entrance fee option selected, and (2) a monthly care fee.

The two entrance fee options offered are (1) 36-month refundable pro rata if a continuing care resident should leave within three years from admission, or (2) 80% of entrance fee reoccupancy benefit paid to the resident or their estate upon reletting of the residence.

The 36-month option offered is refundable pro rata if a continuing care resident should leave within three years from admission as follows:

- i) During the first 90 days, the entrance fee is refunded in full.
- ii) If the resident's tenancy is longer than three months and up to three years, The Canterbury retains 1/36th of the entrance fee for each month of residency or portion thereof.
- iii) No refunds after 36 months.

The Canterbury amortizes entrance fees over the resident's expected life, and a liability is recognized (liability for refundable and repayable entrance fees) for the expected amount that will be refunded to those residents who will not remain at the facility for the stipulated time.

The 80% reoccupancy benefit option is refundable or repayable if the resident should leave The Canterbury as follows:

- i) During the first 90 days, the entrance fee paid by the resident is refunded in full.
- ii) If the resident's tenancy terminates subsequent to the first 90 days, the resident will receive a reoccupancy benefit equal to 80% of the paid entrance fees within:
 - a) 14 calendar days after the resident's accommodation unit is re-let to a new resident who has executed a care and residence agreement and paid the then-applicable entrance fee for the same unit;
 - b) 180 days after the resident's accommodation unit is re-let to a new resident who enters under a month-to-month agreement.

Under the reoccupancy benefit contract agreement, The Canterbury amortizes 20% of the entrance fee over the resident's expected life. A liability is recognized (liability for refundable and repayable entrance fees) for the remaining 80%.

The Covington

Residents of The Covington pay (1) an entrance fee upon admission ranging from \$256,000 to \$1,190,000, depending on residence and entrance fee option selected, and (2) a monthly care fee. The entrance fee is refundable or repayable if a resident should leave The Covington as follows:

Reoccupancy benefit option:

i) During the first 90 days, the entrance fee paid by the resident is refunded in full.

ii) If the resident's tenancy terminates subsequent to the first 90 days, the resident will receive a reoccupancy benefit equal to 80% of the paid entrance fees within 14 calendar days after the resident's accommodation unit is re-let to a new continuing care resident who has executed a care and residence agreement and paid the then-applicable entrance fee for the same unit in full.
 iii)

The Covington amortizes 20% of the paid entrance fees over the resident's expected life. A liability is recognized (liability for refundable and repayable entrance fees) for the remaining 80%.

36-month option:

- i) During the first 90 days, the entrance fee paid by the resident is refunded in full.
- ii) If the resident's tenancy is longer than three months and up to three years, The Covington retains 1/36th of the entrance fee for each month or partial month of residency.
- iii) No refunds after 36 months.

MonteCedro

MCINC offers payment options under a care and residence agreement (reoccupancy benefit and 36month pro rata refundable options) which requires payment of (1) an entrance fee upon admission ranging from \$332,000 to \$1,885,000 depending on residence and entrance fee option selected, and (2) a monthly care fee.

The entrance fee is refundable or repayable if the resident should leave MCINC as follows:

- i) During the first 90 days, the entrance fee paid by the resident is refunded in full.
- ii) If the resident's tenancy terminates subsequent to the first 90 days, the resident will receive a reoccupancy benefit equal to 75% or 90% (depending on the contract) of the paid entrance fees within 14 calendar days after the resident's accommodation unit is re-let to a new continuing care resident who has executed a care and residence agreement and paid the then-applicable entrance fee for the same unit in full.

Under the 75% or 90% reoccupancy benefit agreement, MCINC amortizes 25% or 10% of the entrance fee over the resident's expected life, respectively. A liability is recognized ("liability for refundable and repayable entrance fees") for the remaining 75% or 90%.

36-month option:

- i) During the first 90 days, the entrance fee paid by the resident is refunded in full.
- ii) If the resident's tenancy is longer than three months and up to three years, MCINC retains 1/36th of the entrance fee for each month or partial month of residency.
- iii) No refunds after 36 months.

As of June 30, 2023 and 2022, approximately \$237,209,000 and \$236,224,000, respectively, was estimated to be contractually refundable or repayable. These balances represent the amounts due to residents, if all were to cancel their contracts as of June 30, 2023 and 2022, based on the Organization's refund and repayment policy.

Income taxes – ECS and its controlled subsidiaries are organized as nonprofit corporations under the general nonprofit corporation laws of the state of California and are exempt from federal income taxation under IRC Section 501(c)(3).

ECSF is organized as a nonprofit corporation under the general nonprofit corporation laws of the state of California and is exempt from federal income taxation under IRC Section 501(c)(3). ECSF is classified as a supporting organization under IRC Section 509(a)(3).

ECSLLC and Artful LLC are organized as nonprofit limited liability companies in the state of California. They have not applied for their own tax exemption for income tax purposes because they are disregarded entities. While they are disregarded for income tax purposes, they are still subject to the California annual minimum tax and the annual fee.

Nonprofit organizations are generally not liable for taxes on income. Therefore, other than the California annual minimum tax and annual fee related to ECSLLC and Artful, LLC, no provision is made for such taxes in the consolidated financial statements in accordance with GAAP.

The Organization considers many factors when evaluating and estimating their tax positions and tax benefits, which may require periodic adjustments and which may not accurately anticipate actual outcomes. The Organization evaluates their uncertain tax positions using the provisions in conformity with GAAP.

These standards require management to perform an evaluation of all income tax positions taken, or expected to be taken, in the course of preparing the Organization's tax returns. Management believes the tax positions taken more-likely-than-not will be sustained under examination by the applicable tax authorities. Examples of tax positions taken include the tax-exempt status of the Organization, and various positions related to the potential sources of unrelated business taxable income. Since matters are subject to some degree of uncertainty, there can be no assurance that the Organization's tax returns will not be challenged by the taxing authorities and that the Organization will not be subject to additional tax, penalties, and interests as a result of such challenge.

Advertising – The Organization expenses advertising costs as they are incurred. Advertising costs expensed for the years ended June 30, 2023 and 2022, were approximately \$391,000 and \$287,000, respectively.

Excess (deficiency) of revenue over expenses – Excess (deficiency) of revenue over expenses represents the performance indicator. Changes in net assets without donor restrictions that are excluded from (deficiency) excess of revenue over expenses, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which by donor restriction were to be used for the purposes of acquiring such assets).

Use of estimates – The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Business combinations – Business combinations are accounted for using the acquisition method of accounting. Expenses incurred in connection with a business combination are expensed as incurred.

Recent accounting standards – In the normal course of business, the Organization evaluates all new accounting pronouncements to determine the potential impact they may have on their consolidated financial statements. Based upon this evaluation, the Organization does not expect any of the recently issued accounting pronouncements, which have not already been adopted by the Organization, to have a material impact on their consolidated financial statements.

Going concern – In connection with the preparation of the consolidated financial statements for the year ended June 30, 2023, management conducted an evaluation as to whether there were conditions and events, considered in the aggregate, which raised substantial doubt as to the Organization's ability to continue as a going concern within one year after the date the consolidated financial statements were issued.

Note 3 – Assets Limited as to Use

Assets limited as to use comprise the following as of June 30, 2023 and 2022 (in thousands):

	2023		 2022
Series 2014 bonds		_	
Capitalized principal funds	\$	-	\$ 644
Capitalized interest funds		-	172
Debt service reserve fund		-	3,109
Series 2022A bonds			
Paying agency account funds		2	329
Insurance collateral		273	273
Wait list deposits and other		4,620	570
		4,895	5,097
Less: amounts required for payment of current liabilities		(2)	 (1,145)
	\$	4,893	\$ 3,952

As of June 30, 2023 and 2022, the Organization maintains a letter of credit totaling \$1,350,000 in lieu of requiring cash collateral for workers' compensation claims.

Note 4 – Investments

Investments in marketable securities are stated at their fair market value. As of June 30, 2023 and 2022, investments comprise the following (in thousands):

		2023	2022		
Investments Less: investments, short-term	\$		\$	140,602 (18,371)	
Total investments, long-term	\$	121,638	\$	122,231	

The Organization's investment policy makes available only a portion of the Organization's total investment return, consisting of dividends and interest, and net realized gains and losses, and principal for the support of current operations and development; the remainder is retained to support operations of future years and to offset potential market declines.

The following schedule summarizes investment return and its classification in the consolidated statements of operations and changes in net assets for the years ended June 30, 2023 and 2022 (in thousands):

	2023					
	Without Donor Restriction		With Donor Restriction			Total
Interest and dividend income Realized gains (losses), net Unrealized (losses) gains, net	\$	4,351 1,865 9,895	\$	58 13 109	\$	4,409 1,878 10,004
External investment expense		16,111 (214)		180 (13)		16,291 (227)
Investment losses, net	\$	15,897	\$	167	\$	16,064
			2	022		
		out Donor estriction	With	022 Donor triction		Total
Interest and dividend income Realized gains, net Unrealized gains, net			With	Donor	\$	Total 9,373 664 (30,313)
Realized gains, net	Re	estriction 9,336 627	With Res	Donor triction 37 37	\$	9,373 664

Note 5 – Property and Equipment

As of June 30, 2023 and 2022, property and equipment comprise the following (in thousands):

	 2023	 2022
Land	\$ 28,338	\$ 28,338
Land improvements	6,800	6,151
Buildings and improvements	294,552	289,032
Furnishings and equipment	29,646	26,880
Capitalized computer hardware and software	1,939	1,961
Project development costs and construction in progress	 7,234	 2,580
	368,509	354,942
Less: accumulated depreciation	 (146,453)	 (133,194)
Total	\$ 222,056	\$ 221,748

Note 6 – Notes Receivable

Notes receivable comprise the following as of June 30, 2023 and 2022 (in thousands):

	2023			2022
Casa de los Amigos Other	\$	1,433 3,299	\$	2,810 2,903
Less: current portion		4,732 (3,425)		5,713 (3,553)
Total	\$	1,307	\$	2,160

Casa de los Amigos – During fiscal year 2014, the Organization purchased a note receivable from the General Partner (Episcopal Housing Alliance) and from the Corp Sole (The Bishop of the Protestant Episcopal Church in Los Angeles). The note receivable was originally entered into September 1, 2007, in the principal amount of \$4,480,000, interest rate at 4.9% per annum, maturity date of September 28, 2062. The note is subordinated to other notes payable of Casa de los Amigos, LP, a California limited partnership. Payments of interest are due annually on April 20 if there is any surplus cash determined to be available in accordance with the Regulatory Agreement. The gross contractual amounts receivable total \$5,854,000, all of which is expected to be collected based on the best estimate at the acquisition date. The current portion of the note receivable as of June 30, 2023 and 2022, is approximately \$126,000 and \$651,000, respectively. The remaining outstanding balances as of June 30, 2023 and 2022, are approximately \$1,433,000 and \$2,810,000, respectively.

Other notes receivable consists of short-term non-interest bearing loans to incoming residents bridging deferred entrance fee payment to the sale of their home.

Note 7 – Fair Value Measurements

GAAP provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that management has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for instruments measured at fair value on a recurring basis and recognized in the accompanying consolidated statements of financial position, as well as the general classification of such instruments pursuant to the valuation hierarchy:

Level 1 Measurements

Cash and cash equivalents – Cash and cash equivalents generally consist of actively traded money market funds that have daily quoted net asset values for identical assets that the Organization has the ability to access at the measurement date.

U.S. Treasury securities – Valuation is based on unadjusted quoted prices for identical assets in active markets that the Organization can access at the measurement date. The Organization considers all U.S. Treasury securities to be based on Level 1 fair value measurements.

Mutual funds – Mutual funds in this category are comprised primarily of underlying stocks and other ownership interests in companies. Valuation is based on unadjusted quoted prices for identical assets in active markets that the Organization can access at the measurement date.

Equities and other investments – Equities and other investments include stocks and exchange-traded funds. Exchange-traded funds in this category are comprised primarily of underlying stocks and other ownership interests in companies. Valuation is based on unadjusted quoted prices for identical assets in active markets that the Organization can access at the measurement date.

Level 2 Measurements

Money market securities – The primary inputs to the valuation include quoted prices for identical or similar assets in markets that are not active, contractual cash flows, benchmark yields, and credit spreads.

Fixed income securities – Fixed income securities include corporate bonds, U.S. government and agency bonds, and other similar debt instruments. The primary inputs to the valuation include quoted prices for identical or similar assets in markets that are not active, contractual cash flows, benchmark yields, and credit spreads.

Level 3 Measurements

Alternative investments – Investments are valued using the net asset value (NAV) as reported by its investment advisors as a practical expedient, to determine the fair value of investments in investment funds which (a) do not have a readily determinable fair value, and (b) either have the attributes of an investment fund or prepare their financial statements consistent with the measurement principles of an investment fund.

Split-interest agreements – Agreements that include charitable gift annuities, valued at fair value by estimating the present value of expected future cash inflows.

Liability for losses during phase-out period of discontinued operations – Valued at fair value by estimating the present value of expected future cash outflows. Calculated based on expected future revenues, less expected future expenses of the former Scripps Kensington residents remaining at each fiscal year end. Inflation rate used was 4% and the discount rate used was 4% for 2023 and 2022.

Considerable judgment is required to develop estimates of fair value, and the estimates presented are not necessarily indicative of the amounts the Organization would realize in a current market exchange. The use of different market assumptions and/or estimation methods could have a material effect on the estimated fair values. The estimates presented are based on pertinent information available to management as of June 30, 2023 and 2022. Current estimates of fair value may differ significantly from the amounts presented.

The following table sets forth by level within the fair value hierarchy assets and liabilities at fair value as of June 30, 2023 (in thousands):

			Fair Value Measurements Using

Note 8 – Deferred Revenue from Entrance Fees and Repayable Entrance Fees Liability

A summary of the changes in deferred revenue from entrance fees for the years ended June 30 is as follows (in thousands):

		 2022	
BALANCE, beginning of year	\$	23,550	\$ 17,557
New fees received		8,442	10,026
Deletions (discharge)		(3,436)	(2,384)
Amortization of entrance fees		(1,669)	 (1,649)
BALANCE, end of year	\$	26,887	\$ 23,550

A summary of the changes in the repayable entrance fees liability for the years ended June 30 is as follows (in thousands):

		2023	2022		
BALANCE, beginning of year New fees received Entrance fees refunded	\$ 236,224 28,309 (27,324)		\$	\$ 231,200	
BALANCE, end of year	\$	237,209	\$	236,224	

Based on the past five years, actual refunds have averaged approximately \$16,355,000 per year for the potentially refundable declining period.

Note 9 – Long-Term Debt

In June 2014, MCINC issued Los Angeles County Regional Financing Authority Insured Revenue Bonds, Series 2014A, Series 2014B-1, Series 2014B-2, and Series 2014B-3 in the aggregate amount of \$140,305,000.

On July 29, 2021, ECS, sole member of MCINC, entered into a Bond Purchase Agreement for the sale and issuance by ECS to certain investors of (i) the ECS 3.04% Senior Secured Bonds, Series 2022A, due May 15, 2047, in the original aggregate principal amount of \$52,495,000 (the "Series 2022A Bonds"), and (ii) the ESC 2.89% Senior Secured Bonds, Series 2022B, due November 15, 2044, in the original aggregate principal amount of \$37,790,000 (the "Series 2022B Bonds" and, together with the Series 2022A Bonds, the "Series 2022 Bonds"). The Series 2022A Bonds and the Series 2022B Bonds were issued on a forward delivery basis, with the Series 2022A Bonds issued on May 16, 2022 (the "First Delivery Date"), and the Series 2022B Bonds issued on November 15, 2022 (the "Second Delivery Date"). The proceeds of the Series 2022A Bonds were used to redeem all the California Statewide Communities Development Authority Revenue Refunding Bonds, Series 2012 (Episcopal Communities & Services) (the "ECS Series 2012 Bonds") on the First Delivery Date. The proceeds of the Series 2022B Bonds were used to redeem all the Los Angeles County Regional Financing Authority Insured Revenue Bonds Series 2014A (MonteCedro Inc. Project) (the "MonteCedro Series 2014A Bonds") on the Second Delivery Date. As of June 30, 2023, ECS recognized a gain on the refinancing of the bonds for a total of \$557,000 related to the bond premium and deferred financing costs that were written off during the year. This gain was recorded as other expenses on the consolidated statement of changes in operations.

Upon issuance of the Series 2022A Bonds and the redemption of the ECS Series 2012 Bonds on the First Delivery Date, the existing master trust indenture was replaced with the Master Trust Indenture (Amended and Restated), with ECS remaining as the Obligation Group Representative. The related deeds of trust under the prior master trust indenture were released. Upon the issuance of the Series 2022B Bonds and the redemption of the MonteCedro Series 2014A Bonds on the Second Delivery Date, MonteCedro joined the Obligated Group under the Master Trust Indenture (Amended and Restated). The Series 2022A Bonds and the Series 2022B Bonds are each secured by an Obligation under the Master Trust Indenture (Amended and Restated).

The outstanding balances of these bonds are as follows as of June 30, 2023 and 2022 (in thousands):

	 2023	 2022
Series 2014A, interest rates from 3% to 5% per annum, with principal payments due annually from November 15, 2019 to November 15, 2044 Series 2022A, interest rate of 3.04% per annum, with principal payments due annually from May 15,	\$ -	\$ 41,935
2023 to May 15, 2047	51,080	52,495
Series 2022B, interest rate of 2.89% per annum,		
with principal payments due annually from November 15, 2023 to November 15, 2044	 37,790	 -
	88,870	94,430
Unamortized premium on Series 2014A	 -	 2,494
	88,870	96,924
Less: current portion (including current portion of unamortized premium of \$0 and \$174,133 at June 30, 2023 and 2022, respectively Less: capitalized financing costs, net of accumulated	(2,700)	(2,629)
amortization of \$43,841 and \$6,273,575 at June 30, 2023 and 2022, respectively	 (996)	 (2,972)
	\$ 85,174	\$ 91,323

Aggregate maturities of long-term debt are as follows (in thousands):

	Series 2022A		Series 2022B		Total	
Years Ending June 30,						
2024	\$	1,455	\$	1,245	\$	2,700
2025		1,500		1,280		2,780
2026		1,550		1,315		2,865
2027		1,600		1,355		2,955
2028		1,645		1,395		3,040
Thereafter		43,330		31,200		74,530
	\$	51,080	\$	37,790	\$	88,870

The Series 2022 Bonds contain certain covenants related to debt service coverage ratio and days cash on hand. Management believes the Organization was in compliance with its bond covenants as of June 30, 2023.

Note 10 – Net Assets

Net assets without donor restriction – Board designated – The following disclosure is made pursuant to Section 1790(a)(3) of the California Health and Safety Code. The Board of Directors has identified certain contingencies, listed below, to which the net assets without donor restriction of the Organization may be exposed, and therefore, directed that prudent reserves be established as a safeguard against such contingencies. Although not restricted in accordance with GAAP, the following net assets without donor restriction, excluding board designations for entities with net deficits, represent the current intentions of the Board of Directors and are comprised of the following as of June 30, 2023 and 2022 (in thousands):

	2023		2022	
The Canterbury Entrance Fee Reserve Fund	\$	32,949	\$	33,887
Mission Expansion Fund		15,674		13,742
Strategic Fund		15,334		13,644
ECS Contingency Reserve Fund		3,950		3,523
Program Expansion Fund		1,868		1,762
Benevolence Funds		1,838		1,870
Ziegler Link Age Fund		289		288
General Fund		11		26
	\$	71,913	\$	68,742

Maintaining such reserves meets the needs of the life plan communities by providing a source of funds to replace property, plant, and equipment, fund benevolence programs for qualified residents, fund growth of the Organization, pay entrance fees as they become due at The Canterbury, fund administrative and general expenses associated with fundraising activities, fund the care and services for the Scripps Kensington life plan residents, and fund other planned and unplanned liabilities of the Organization.

The following is a description of Board-designated net assets:

- The Canterbury Entrance Fee Reserve Fund represents funds available for entrance fee refunds for The Canterbury facility.
- *Strategic Fund* represents funds available to support the Organization's growth initiatives and support of the Organization's affiliates.
- Mission Expansion Fund represents funds available to be utilized for the costs associated with the development of new communities, redevelopment of existing communities, and expansion of programs.
- *ECS Contingency Reserve Fund* represents funds available for expenditures not typically planned for in the normal course of operation and/or in connection with strategic opportunities.

- *Program Expansion Fund* represents funds available for the purpose of supporting the Organization's charitable mission.
- *Benevolence Funds* to be used for operating and capital needs associated with facilities and to assist qualifying residents with medical care expenses.
- Ziegler Link Age Fund represents investments in venture stage companies developing technology innovations to enhance senior living.
- General Fund represents funds available for purposes designated by the Board of Directors, including funds available for the purpose of funding the administrative and general expense associated with ECSF's fundraising activities.

Net assets with donor restriction – Net assets restricted by donors are available for the following time periods or purpose as of June 30, 2023 and 2022 (in thousands):

	2023		2022	
Subject to the passage of time	\$	6	\$	6

John Henry Dilkes Memorial Fund		233		211
		911		837
Total net assets with donor restrictions	\$	2,373	\$	2,453

Net assets released from restriction through the satisfaction of donor restrictions were approximately \$404 and \$510 for the years ended June 30, 2023 and 2022, respectively, and are included in other operating revenue in the accompanying consolidated statements of operations.

The following is a description of the net assets with donor restriction:

• Benevolence Funds – represent funds used to care for residents who, through no fault of their own, are unable to pay the entire amount of fees associated with the provision of accommodations and services.

- *Program & Services Funds* represent funds used to support programs and services that enhance the lives of residents.
- *Creative Living Plus Funds* represent funds used to support training and services that help residents maintain their independence as they age in place.
- Staff Assistance Fund for Emergencies (S.A.F.E.) represents funds to provide monetary assistance to employees in times of immediate need.
- *Employee Education Funds* represent financial assistance to staff members who pursue education outside of the workplace.
- *Living & Learning Funds* represent funds that support the life enrichment of former Scripps Kensington residents through cultural, environmental, and recreational programs.
- *By Your Side Funds* represent funds used to provide end-of-life training, support, and placement to equip volunteer and professional caregivers to serve as a compassionate presence for residents and the wider community.
- Music & Memory Funds represent funds that support the Music & Memory program, which helps memory care residents find renewed meaning and connection in their lives through the gift of personalized music.
- *Core Value Funds* represent funds that support annual awards to employees recognizing their superior performance in demonstrating ECS's core values.
- Capital Project Funds represent funds to support capital projects that enhance the lives of residents.
- The David and Margaret Schumacher Concert Series Endowment Fund represents an endowment fund created to provide and support musical performances at The Covington in perpetuity.
- *Endowed Employee Education and Scholarship Funds* represent endowed scholarship funds that are intended for annual employee education scholarships to be awarded in perpetuity.
- The John Henry Dilkes Memorial Fund represents an endowment fund created to provide and support activities programs at The Covington in perpetuity. These programs may include, but are not limited to, educational opportunities in fine arts.

Note 11 – Endowment

The Organization's endowment consists of individual funds established for a variety of purposes. The endowment includes both donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments. The Organization has interpreted relevant state law as requiring preservation of the fair value of the original gift as of the date of the gift of the donor-restricted endowment funds explicit donor stipulations to the contrary. As required by GAAP, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

According to the Organization's investment guidelines, the Organization's endowment assets are currently invested in the Organization's investment portfolio supervised by an independent registered investment advisor. The primary long-term investment objective is to preserve and enhance the real (inflation adjusted) purchasing power of the portfolio, net of annual withdrawals. If the fair value of the endowment assets falls below the level required by the donor or laws, the reduction is made to net assets with donor restrictions.

The goals of the funds are as follows: (a) maintain purchasing power; (b) maintain the level of programs and services currently provided; (c) maximize return within reasonable and prudent levels of risk; and (d) maintain an appropriate asset allocation based on a total return policy that is compatible with spending policy, while still having the potential to produce positive real returns.

Endowment net asset composition by type of fund as of June 30, 2023, is as follows (in thousands):

	Without Donor Restriction		With Donor Restriction		Total	
Donor-restricted endowment funds Accumulated investment losses Board-designated endowment funds	\$	(10) - 19,543	\$	911 - -	\$	901 - 19,543

Note 12 – Functional Expenses

The consolidated financial statements report certain expense categories that are attributable to more than one residential, health care, or support services function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Costs not directly attributable to a function, including depreciation, interest, and other occupancy costs, are allocated to a function based on a square footage or units of services basis.

Episcopal Communities & Services for Seniors and Subsidiaries Notes to Consolidated Financial Statements

Expenses related to providing these services for the fiscal year ended June 30, 2023, are as follows (in thousands):

		Support

	\$ 61,487		\$ 12,012	\$	305	\$ 73,804

Note 13 – Retirement Plans

The Organization maintains a safe harbor 401(k) retirement plan for all eligible employees of the Organization. The plan allows for employer non-elective contributions, including a mandatory 3% employer contribution. The plan also allows for discretionary match contributions, approved on an annual basis. Total pension plan contributions in connection with the 401(k) retirement plan for the fiscal years ended June 30, 2023 and 2022, were approximately \$1,160,000 and \$1,099,000, respectively.

In addition, the Organization contributed approximately \$6,000 and \$11,000 to the church pension fund for the Episcopal chaplains for the fiscal years ended June 30, 2023 and 2022, respectively.

The Organization also maintains a 457(b) plan established for executives who have completed six months of continuous service. The 457(b) plan allows for salary reduction contributions and employer discretionary contributions. Total contributions in connection with the 457(b) plan for the fiscal years ended June 30, 2023 and 2022, were approximately \$227,000 and \$222,000, respectively.

Effective July 1, 2013, the Organization created a 457(f) plan for a select group of executives. The plan allows for discretionary employer contributions. There were no contributions made to the plan during the fiscal years ended June 30, 2023 and 2022.

Note 14 – Significant Concentrations

Approximately 4% and 5% of the Organization's total operating revenue and other support for both years ended June 30, 2023 and 2022, respectively, was funded pursuant to federal, state, and local assistance programs, the continuation of which is dependent upon governmental policies. Revenues received under these programs are partially based upon cost reimbursement principles that are subject to government audit.

The Organization maintains its cash in bank deposit accounts that may exceed federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents. As of June 30, 2023, cash balances held at one bank exceeded federally insured limits by approximately \$12,323,000.

Note 15 – Contingencies

The Organization is subject to legal proceedings, which arise in the ordinary course of its business. In the opinion of management and legal counsel, the outcome of such matters will not have a material effect on the financial position of the Organization.

The Organization is also subject to many complex federal, state, and local laws and regulations. Compliance with these laws and regulations is subject to government review and interpretation. Government activity, with respect to investigations and allegations regarding possible violations of these laws and regulations by health care providers, including those related to medical necessity, coding, and billing for services, has increased significantly. Violations of these laws can result in large fines and penalties, sanctions on providing future services, and repayment of past patient revenues. Management believes any actions that may result from investigations of noncompliance with laws and regulations will not have a material effect on the Organization's future financial position or results of operations.

Note 16 – Leases

The Organization leases its administrative office in Monrovia, California, which expires on September 30, 2027. Quantitative disclosures related to the Organization's operating leases are as follows as of June 30, 2023 and 2022 (in thousands):

	 2023	 2022
Operating lease right-of-use assets Operating lease assets Accumulated amortization	\$ 2,270 (1,215)	\$ 2,270 (988)
Total	\$ 1,055	\$ 1,282
Other information Cash paid for amounts included in the measurement of lease liabilities – operating cash flows from operating leases	\$ 295	\$ 287
Right-of-use assets obtained in exchange for operating lease liabilities	\$ 1,271	\$ 1,524
Weighted-average remaining lease term (in years)	4.25	5.25
Weighted-average discount rate	3.00%	3.00%

On February 16, 2022, the Organization entered into a sublease agreement to lease out their administrative office in Monrovia, California, to a sublessee, which commenced on March 15, 2022, and expires on November 20, 2024. The sublease qualifies as an operating lease and the sublease income of \$21,912 per month is recognized as other income in the consolidated statements of operations when earned. Sublease income recognized during the year ended June 30, 2023, was \$250,942 and is included in other revenue on the accompanying consolidated statements of operations.

The following consists of the minimum lease liabilities in future fiscal years (in thousands):

Fiscal Years 2024 2025 2026 2027 2028	\$ 304 313 323 333 84
Total	1,357
Less: amount representing interest	 86
Total operating lease liabilities	1,271
Current portion of operating lease liabilities	 270
Operating lease liabilities, net of current portion	\$ 1,001

Note 17 – Sale of Scripps Kensington and Liability for Losses During Phase-Out Period of Discontinued Operations

Scripps Kensington was sold on October 15, 2010, for a total price of \$21,500,000. The net gain on sale of \$11,087,000 is restricted by the Office of the Attorney General of California to provide care and services to the existing Scripps Kensington residents and for the development of the MonteCedro facility if determined feasible by the Organization (see Note 10 regarding the Scripps Kensington Proceeds Funds).

As part of the disposal, management has calculated an estimated provision and liability for losses expected to be incurred during the phase-out period of discontinued operations. The liability is calculated using present value techniques with a 5% discount rate for 2023 and 2022.

Episcopal Communities & Services for Seniors and Subsidiaries Notes to Consolidated Financial Statements

A summary of the activities for June 30, 2023 and 2022, is as follows (in thousands):

	 2023	 2022
Total costs expected to be incurred as a result of the discontinued facility	\$ 13,164	\$ 12,852
Costs incurred during the period	\$ 427	\$ 437
Cumulative costs incurred	\$ 12,848	\$ 12,421
Changes in the liability for losses during phase-out period of discontinued operations are as follows:		
Liability for losses during phase-out period of discontinued operations, beginning of year Net costs paid during the period Accretion	\$ 430 (427) 312	\$ 582 (438) 286
Liability for losses during phase-out period of discontinued operations, end of year	\$ 315	\$ 430

The estimated future payments on the phase-out of discontinued operations are as follows (in thousands):

Years Ending June 30,	
2024	\$ 86
2025	66
2026	51
2027	40
2028	31
Thereafter	 41
Total future payments	315
Less: discount	
Present value of future payments	315
Less: current portion	 (114)
	\$ 201

Note 18 – Liquidity and Availability

The Organization structures its financial assets to be available as its general expenditures, liabilities, and other obligations come due. As part of its liquidity management, the Organization invests cash in excess of its operating, capital expenditure, and debt service requirements in various investments according to its Investment Policy.

The Organization's financial assets available to meet general expenditures within one year of the consolidated statement of financial position date are as follows (in thousands):

Cash and cash equivalents Investments, short-term	\$ 12,572 28,078
Accounts receivable, net	 1,511
	\$ 42,161

Additionally, the Organization has assets limited as to use for deposits held in trust, refundable entrance fees, donor restriction, and various required reserves. These assets limited as to use, which are more fully described in Notes 3 and 4, are not available for general expenditure within the next year.

Note 19 – Subsequent Events

Subsequent events are events or transactions that occur after the consolidated statement of financial position date but before the consolidated financial statements are issued. The Organization recognizes in the consolidated financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the consolidated statement of financial position, including the estimates inherent in the process of preparing the consolidated financial statements.

Effective July 1, 2023, the skilled nursing facility at The Canterbury was relicensed as assisted living residences under the community's Residential Care Facility for the Elderly (RCFE) license. Effective July 1, 2023, the skilled nursing facility at The Covington was delicensed and closed. Effective July 31, 2023, MCINC merged with ECS its sole corporate member.

Management evaluated subsequent events through October 26, 2023, which is the date the consolidated financial statements were issued.
